WHY USE THIS PRODUCT?

GREEN CHOICE,
RESILIENT,
EFFORTLESSLY
STYLISH

As a leading provider of UPVC furniture profile, our company sets the standard for quality and innovation in the industry. With cutting-edge manufacturing processes and a robust commitment to sustainability, we deliver products that not only meet but exceed rigorous performance benchmarks. Our expert team leverages extensive experience to ensure that every laminate solution is both durable and visually striking, positioning us as the trusted choice for discerning clients. Partner with us to elevate your spaces with superior laminates that embody excellence and reliability.

GROUP OF COMPANIES

Tree plast is a renowned conglomerate comprising two distinguished entities in the field of Building Material products:

Mapl, a leading manufacturer of aluminum composite panels, boasts a rich history with 20 years experiences. With a strong focus on innovation and delivering top-notch quality products, Mapl has established a solid reputation in the industry. The company has built a robust network across India and is highly regarded by prominent architects for its exceptional products.

Telko, specializes in manufacturing aluminum sections and profiles, known for its precision and reliability.

Together, as part of the Tree plast group of companies, Mapl and Telko represent a powerhouse of expertise, innovation, and quality in building material industry, catering to a wide range of customers and projects with their exceptional products and services.

— WPC | UPVC FURNITURE —
